Collaborate Communicate Advocate

HIPAA. Guardianship. WRAP. Medical power of attorney. Mental health parity. Housing. Complementary medicine. These may be concepts we often hear about, but may not always understand how they impact us as we seek to find the best resources and treatments for ourselves, or those we care about.

Join NAMI Texas as we bring together peers, family members, friends, and providers to discuss ways we can work TOGETHER to collaborate and communicate and advocate to improve mental health outcomes for ourselves and those we care about.

Registration includes breakfast, lunch, and workshops.
CEUs available for LMFTs, LMSWs, and LPCs.

Registration fees: $40 for NAMI members/$50 for non-members
