NAMI Texas is proud to present our Report on the 86th Legislative Session – 2019!

Dear *FIRST_NAME*,

Advocacy is core to the mission and vision of NAMI Texas. We believe that advocacy in the public policy sphere is fundamental to our efforts to help improve the quality-of-life for people whose lives have been affected by mental illness. NAMI Texas is increasingly serving in a leadership role in these efforts at the Texas State Capitol.

Over the summer, we have worked on a report that provides highlights of the key mental health reforms and missed opportunities of the legislative session that ended in May. We believe that it's important for stakeholders like you to be aware of what our lawmakers did and didn't do. The laws that they passed will impact our lives – let's raise awareness of these laws as a way of empowering ourselves, our loved ones, and our communities.

Please click here to read our report, and let us know if you have any questions!
Sincerely,

Greg Hansch  
Executive Director, NAMI Texas
