Will you close this decade in the giving spirit?

2019 Mental Health Capitol Day Rally

Dear *[FIRST_NAME]*,

With just days left in the decade, we're reflecting back on not just the last 10 years but also the 35 years of NAMI Texas. Our 35th year was one of the best ones we've ever had. The milestones that we achieved (such as hosting our largest Conference ever, achieving considerable gains in legislation, and hiring our first-ever Outreach Coordinator to strengthen our community and affiliate outreach capacity) are providing us with significant momentum for the 2020s. But we need your support to continue our growth as we seek to play a larger role in mental health education, support, and advocacy. Can we count on you to donate by the end of the year?

How does your donation help? Here are a few ways we utilize donations to NAMI Texas:

**$25** - Provides an hour of assistance to local volunteers wanting to start a NAMI Texas Affiliate in their community, or provides materials to be distributed at community health events.
$35 - Provides resources, training, and technical support to local NAMI Affiliates, helping them provide help and hope in communities across Texas.

$50 - Helps provide instructors to take the NAMI Family and Friends seminar to communities that are currently without NAMI Affiliates.

$100 - Provides training and support to help people living with mental illness, friends and family transform their passion and lived experiences into skillful grassroots advocacy.

$500 - Sponsors an instructor to train volunteers to offer classes, support groups, and other NAMI signature programs like Basics, Family-to-Family, In Our Own Voice, Homefront, and many more in local communities.

Thank you for your interest in NAMI Texas. We are so fortunate - and grateful. Best wishes to you and yours for a wonderful next decade!

With our thanks,
Greg Hansch, Executive Director
